“Eloheh is revolutionary. It has changed my life for the better. I used to have to take a whole day of work to be able to make my doctor visits. Now I can receive care from wherever I am.”

John Stew

“ I am a college student with no access to a car and limited transportation. Eloheh has made it so convenient to be able to get a doctor’s perspective when I have minor illnesses.”

Miranda Jones

“Eloheh helped me as a struggling mom. I suddenly fell sick late at night and the doctor's clinic nearest me was closed. I could not leave the kids alone at home and so I used Eloheh where I was able to consult with a doctor from home.”

Julie Boas

“Eloheh was a life saver. I started to feel sick the night before a big travel plan so I could not schedule an appointment with my local doctors clinic. I was able to get an almost instant appointment with Eloheh and the doctor was able to prescribe me antibiotics before my vacation.”
